Nuclear Stress Test Preparation PM Instructions

Please plan to be here for at least 3-4 hours and follow the instructions below.

- **Do not** eat or drink anything (caffeinated or decaffeinated such as soda, coffee, chocolate, or tea) after 8:00 a.m. the day of the test.
- You **MAY** drink WATER, MILK, and/or JUICE at any time before the test.
- **Do not** smoke after 8:00 a.m. the day of the test.
- *If you are diabetic take your diabetic medication the morning of the test unless given otherwise. Please make sure to bring it with you.*
- **Wear** comfortable clothing (non-metal button up shirt) & shoes for walking on the treadmill (please no metal under wire bras or dresses).
- **Bring** a drink and a snack/lunch with you; you will need to drink water after each tracer administration and will have an opportunity to eat when the techs give you the right of way. Snack examples: sandwich, fruit, crackers, etc.
- **Bring** a list of your current medications.
- **DO NOT** take any of the following medications listed below after midnight prior to the day of the exam, **BUT BRING THEM WITH YOU** on the day of your exam and the techs will let you when you can take them.
- You may take all of your other medications besides the ones (if any) that are listed below as regularly scheduled.
- **48 HOUR CANCELLATION POLICY:** If you need to cancel your exam appointment, it has to be 48 hours prior to the day of your exam.
- **NO SHOW POLICY:** IF YOU HAVE CONFIRMED FOR YOUR APPOINTMENT AND THEN DO NOT SHOW UP FOR THE EXAM, WE WILL HAVE TO CHARGE YOU **\$250.00** FOR THE MEDICINE THAT WAS ORDERED.

I HAVE READ AND UNDERSTAND THE ABOVE INSTRUCTIONS.
